IN RECOGNITION OF THE 90TH ANNIVERSARY OF BERKSHIRE THEATRE

HON. RICHARD E. NEAL

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 14, 2018

Mr. NEAL. Mr. Speaker, I would like to take this opportunity to congratulate Berkshire Theatre on the occasion of its 90th anniversary. It is one of the oldest continually running theatre groups in the country. Located in the heart of the Berkshire Mountains, the group is an exemplary representation of what Western Massachusetts has to offer.

Berkshire Theatre Festival was founded in 1928 in Stockbridge, Massachusetts. Over the course of its storied history, it has been both a significant economic driver in the region and a home to people and events which have greatly contributed to the vibrancy of our country's cultural heritage. In 2010, Berkshire Theatre Festival merged with The Colonial Theatre to form the Berkshire Theatre Group, combining two of Berkshire County's oldest cultural institutions and icons of the American theatre tradition. Berkshire Theatre Group's four total stages have featured many critically acclaimed actors and award-winning productions over the years, and constitute a priceless cultural resource for the community of Western Massachusetts. Moreover, Berkshire Theatre Festival's Playhouse, which is now known as the Fitzpatrick Main Stage, was added to the National Register of Historic Places in 1976. In addition to these remarkable distinctions, Berkshire Theatre Festival also launched a theatrical school in 1929 that continues today to offer internship programs in acting, directing, design, administration, and technical theatre. With these offerings as well as many other educational outreach programs, Berkshire Theatre Group is able to serve over 13,000 students.

Mr. Speaker, I would like to reiterate that Berkshire Theatre has been a group of historical importance and cultural renaissance since its founding in 1928. It's admirable promotion of the arts, focus on educational opportunities, and diverse community benefits are certainly worthy of recognition. Berkshire Theatre has undoubtedly been a center for creativity which continues to enrich, invigorate, and transform artists and audiences alike. As Berkshire Theatre celebrates its 90th anniversary, I wish the group all the best and much continued prosperity.

KATY ISD POLICE OFFICERS RECEIVE CHIEF'S MERITORIOUS CITATION AWARD

HON. PETE OLSON

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 14, 2018

Mr. OLSON. Mr. Speaker, I rise today to recognize Officers Christopher Pickering, Michael Seiss and Jose Gonzales of the Katy Independent School District for receiving the Chief's Meritorious Citation Award.

Tragically, suicide is a growing problem with our youth today. Thankfully, we have heroes among us who choose to be in the right place at the right time. Officers Pickering, Seiss and Gonzales were credited with helping save the lives of two students who were thinking of committing suicide. On January 8, Officer Pickering was dispatched to a home amid reports of a possible suicide attempt by a Katy ISD student. This student was helped by Pickering's crisis intervention training and after building a friendship with the officer, agreed to undergo a mental health evaluation. The student later told the Katy ISD Police Department that Officer Pickering's actions and concern that day kept him from taking his life. Officers Seiss and Gonzales were dispatched to Cinco Ranch High School on March 7 after hearing reports of another possible suicide. They acted promptly and showed the true heart of heroes. The quick actions of these two officers helped save the student's life. Katy ISD Police Chief Robert Jinks proudly claimed that these three men revealed their bravery, character, and heroism for their community. For their dedication to the well-being of the Katy ISD, we thank them for their service and heroism.

On behalf of the Twenty-Second Congressional District of Texas, congratulations again to Officers Christopher Pickering, Michael Seiss and Jose Gonzales of the Katy ISD Police Department for receiving the Chief's Meritorious Citation Award. I thank them for their commitment to our students. Their passion and heart for the Katy ISD community is priceless.

HONORING ALYSSA YARCK

HON. DOUG COLLINS

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 14, 2018

Mr. COLLINS of Georgia. Mr. Speaker, I rise today to recognize Alyssa Yarck. A student at the University of North Georgia, my alma mater, Alyssa recently earned the Girl Scout Gold Award—the highest honor that the leadership organization awards.

Alyssa joined the Girl Scouts as a kindergartener, entering into the Daisy ranks and deepening her commitment to the program even after graduating from Chestate High School.

She received the Girl Scout Gold Award for modernizing a system to equip first responders with important health information about students in Hall County.

The new database, Assisting Special Kids' Needs and Other Technologies (A.S.K.N.O.T.), centralizes students' individual health needs and contact information within Hall County Central Communications, preparing emergency responders to better care for children in the event of an emergency.

Whether an emergency occurs at school or home, first responders now have access to medical information for students who have enrolled in A.S.K.N.O.T. and can then respond accordingly.

Alyssa started this program in 2015 and completed it last September. Her tireless service through the Girl Scouts has left a lasting impact on children in our community—I want to thank Alyssa for her dedication and congratulate her on this significant honor.

AIT NEW COMPOUND OPENING CEREMONY ON JUNE 12

HON. NORMA J. TORRES

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 14, 2018

Mrs. TORRES. Mr. Speaker, I rise today in recognition of the grand opening ceremony for the new compound of the American Institute in Taiwan (AIT) this week. The United States and Taiwan have enjoyed a fruitful partnership for decades, and I am confident that our partnership will only grow stronger with this new facility.

Our two countries' partnership has flourished because of our shared commitment to democratic values and constitutional governments. Taiwan serves as a strong example of democracy not only for the region, but also the world. We must never take democracy for granted; we must remain vigilant in protecting and strengthening it.

Our nations are also bound together by immigration, travel, and trade. More than 350,000 Taiwanese live in the United States, and an estimated 4,000 Americans live in Taiwan. Nearly 3,000 of my constituents were born in Taiwan. Additionally, Taiwan is the United States' 11th largest trading partner, and in 2017, Taiwanese businesses invested \$34 billion in the United States. Travel, especially air travel, helps to further strengthen the bonds between the United States and Taiwan. In that sense, I am very pleased that the Ontario International Airport, located in California's 35th district, now offers direct flights to Taiwan.

This is a relationship I am proud to support, and I am committed to working with my colleagues to find additional areas where our two countries can partner to our mutual benefit. This week's opening ceremony is an important step, and I am confident that it will contribute to the strengthening of the U.S.-Taiwan partnership.

erty. For many years, the Clarks have been devoted servants to countless civic leaders throughout Teller County and have always been highly regarded for their steadfast commitment and dependability. Teller County will never be the same without the Clarks.

The following testimonials speak to their personal character and the standard they set for generations to follow:

"Carol and Gerry have always been synonymous with the term 'American Patriots.'"—Hon. Robert C. Balink

"It's difficult to describe Carol's love for this country and how valuable her contributions have been over the years to the cause of freedom. She is always striving to make things better. We will miss her tireless efforts immensely. Needless to say, Gerry has been her constant companion for many, many years, supporting her at every step of the way."—Norma Thompson

"Carol has been an awesome leader . . . due in part because she was always such a 'doer'. We have all been blessed because of you."—Carolyn Fairchild

"Carol and Gerry were the backbone of Teller County and I, along with many others from far and wide, are honored to call them friends. I whole heartedly endorse and petition the United States House of Representatives to recognize Carol and Gerry Clark for their patriotism and unmitigated duty to the citizens of Teller County Colorado and the Pikes Peak Region."—Pete LaBarre

"Gerry and Carol Clark of Woodland Park, Colorado, are true patriots. Driven by true American Principals and a hard work ethic, they have led many others to stand up for these principals by actively working to advance public education on important matters of policy on the local, state and national levels. Gerry and Carol Clark were usually the first to volunteer for the long hours of staffing information centers and organizing volunteers. They tirelessly gave of their time and treasure to ensure others had access to reliable information and always communicating in civil and polite ways with those whose views differed from their own. They have both truly made a difference in the things that mattered. Their honorable service to our community, state, and nation deserves our heartfelt gratitude."—Cheryl and Norm Steen, Teller County Commissioner

"Words are inadequate to express our gratitude and appreciation of the incomparable work and attitude you have displayed. Saying goodbye is never easy especially to people who have been such valued team members. We wish you all the best for now and into the future. If you can learn that is good. If you can teach that is life changing."—Doloretta & Robert Barber
